Changing to Winter School Uniform

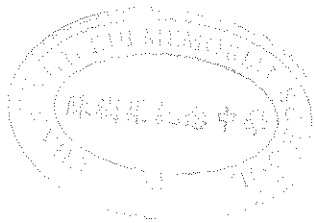

As the weather is becoming cooler, students may consider wearing the winter school uniform starting from 18 November 2024 (Monday), depending on their own needs. The official date for all students to switch to the winter school uniform is 25 November 2024 (Monday). Before the official date, please pay close attention to the weather condition and your child's health, and remind them to wear the suitable school uniform to school. For male students, the School Blazer could be worn should such a need arise. For the details of the school uniform, please refer to the guidelines on School Uniform and Appearance in the student handbook. Also, you may browse the school website via the following path: front page > useful links > school uniform sample.
